Combining blocks of different shapes can create endless possibilities. Each individual is unique in their own way and possesses equal potentials. With training and guidance, people with intellectual disabilities can also contribute to the community making it a better place for everyone.

努力不懈,力證天生我才; 期待各界賦予發揮平台, 支持智障人士盡展所長。

We Got Talent – given appropriate training and opportunities, people with intellectual disabilities can realize their full potential as contributing members of society.

E智會主席 楊重光教授
Professor C K Yeung
Chairman, Hong Chi Association

去年,匡智會慶祝成立四十五週年,本人 很高興能夠參與其中,與匡智團隊一起 分享本會多年來努力發展智障人士服務的 成果!

經驗的積累促使本會的發展越趨成熟,不 論是在前線服務或專注策劃發展的同事, 都能處處以學生和學員的需要為先,竭誠 為他們提供適切的服務,助他們發展所 長,成為貢獻社會的一分子!本人深感榮 幸,能夠由本年度起接任主席一職,繼續 帶領這支優秀的團隊,致力承擔「匡扶智 障」的使命。 Last year, we celebrated the 45^{th} Anniversary of Hong Chi Association. I am glad to have participated in the celebrations and shared with the Hong Chi team the fruitful results achieved throughout our years of dedication to serve the people with intellectual disabilities.

The valuable experiences accumulated over the years have contributed to the growth of the Association. Both our colleagues serving in the front line, and those responsible for planning and development have always given priority to the needs of our students and trainees, and have provided them with appropriate services with the aims of helping students and trainees to develop their potential and preparing them to become contributing members of our society. I am deeply honoured to be the Chairman of Hong Chi Association to lead this brilliant team and make the best efforts in fulfilling our mission – serving people with intellectual disabilities.

以下,我將扼要匯報本會於過去一年的工作成果:

I am glad to report the following summary of the Association's work accomplished over the past year:

教育服務

「天生我才」,智障孩子也不例外。本會的教學團隊一直堅守「因材施教」的原則,因應學生的不同能力和學習需要,再輔以創新的教學策略及工具幫助他們更有效地學習,將潛能發揮。匡智翠林晨崗學校及匡智張玉瓊晨輝學校便分別以「校本個別學習計劃」及「多形態教學法流程」幫助學生提升學習成效,令學生在課堂及整體的學習表現均有明顯的進步。老師們的努力得到專業認同,獲頒本年度的「行政長官卓越教學獎」予以嘉許,表揚他們對特殊教育的貢獻!

在老師和家長的悉心栽培下,我們的學生充分展現他們的多元才能,既有學生獲邀於由教育局主辦的「全港特殊學校學生才藝大匯演一讓愛閃亮」活動中擔任嘉賓司儀並演出多個項目,更有學生在不同的競賽,包括「粵港心智障礙兒童才藝比賽」、「香港青年獎勵計劃」以及「特殊奧運夏季世界比賽」當中均有非常出色的表現。他們努力地透過不同的平台向大家說明:「我們也做得到」!

成人服務、就業及社會企業

對於智障人士來說,能夠公開就業,不單可以憑一己的努力賺取酬勞,自力更新, 更重要的是能夠擴闊社交圈子,提升個人 的自尊和自信。

Education Service

We got talent — it is equally true for children with intellectual disabilities. Providing customized education to meet students' different abilities and learning needs have always been the principles of our teaching team. Students are able to unleash their potentials to the full through the use of creative teaching strategies and tools. The innovative teaching approaches, namely Individualized Education Plan adopted by Hong Chi Morninghill School, Tsui Lam, and Multi-mode Teaching adopted by Hong Chi Winifred Mary Cheung Morninghope School have much improved the overall learning performance of their students. The efforts of the Schools' teaching teams and their contribution to special education were recognized by the honour of "Chief Executive's Award for Teaching Excellence".

The care and attention of teachers and parents have also enabled students to demonstrate their boundless potentials. In the past year, some students were invited to be the guest emcees of the "Special Schools Variety Show" organized by the Education Bureau while others were encouraged to take part in various competitions, including the Talent Contest, The Hong Kong Award for Young People and Special Olympics World Summer Games, to showcase their remarkable talents in different fields. Their outstanding performances have undoubtedly proven to the public that they could also do very well so they could proudly say "we can do it too"!

Adult Service, Employment and Social Enterprises

For people with intellectual disabilities, the significance of open employment is not merely about being able to earn a living and lead an independent life. More importantly, working can broaden their social life, as well as raising their self-esteem and self-confidence.

主席報告 Chairman's Report

法定最低工資的實施,在社會上引起廣泛而深入的討論,我們的家長和學員(包括在職和受訓的)亦有向我們反映他們對於最低工資的期望和憂慮。本會一向致力推動智障人士就業,我們在立法諮詢期間已如實地向政府反映家長和學員的關注點,我們期望法例的實施不會影響良心僱主聘用智障人士的意願。法定最低工資實施至今,學員的就業情況尚算穩定,我們將密切留意市場的變化,以備在有需要時可以為學員作出適切的支援。

為了喚起社會對智障人士就業需要的關注,本會於2011年7月7日舉行首個「匡智會職業復康服務巡禮」,向各界展示智障人士的工作能力。我們更特別邀請萬豪國際集團作為其中一位僱主代表,分享聘用智障人士的經驗,同時呼籲各界給予智障人士工作機會,因為只要有發揮的平台,他們也有能力「做好一份工」!

籌備多時,由社會福利署「創業展才能」計劃資助成立的HC Café於2011年9月16日在灣仔太原街正式開業,為本會的社企餐廳再增添一名新成員!我們深感幸運,除獲得市區重建局為我們提供「地利」,我們更兼享「人和」,在餐廳試業期間,已經有一眾企業友好落力捧場,再加上一群熱心義工為我們「助陣」,他們不但為餐廳的營運提供寶貴意見,更不時在工作上提點學員,令HC Café可以在短時間內走上軌道!成立社企,不但可以為學員提供更多實習和工作機會,同時亦開啟了互動的大門,讓社會人士可以與學員接觸,了解他們的工作能力,給予他們更多工作和發揮的機會。

The enforcement of minimum wage aroused much public discussion; even our trainees, employees with intellectual disabilities and their parents have expressed their expectations and concerns about the policy. Throughout the years, the Association has devoted itself to advancing the employment for people with intellectual disabilities. During the consultation period on minimum wage, we have passed on the messages of our trainees and parents to the government that the enforcement of minimum wage should not affect the caring employers' goodwill in providing jobs for people with intellectual disabilities. Ever since the minimum wage has been in force, the employment situation of our trainees has remained stable. Nonetheless, we will keep an eye on the changes in the job market and provide trainees with support when necessary.

To raise public awareness towards the employment needs of the intellectually challenged, the first-ever "Hong Chi Career Showcase" was held on 7th July 2011 which aimed at demonstrating the work abilities of people with intellectual disabilities. At the event, one of our caring employers - Marriott International, Inc. was invited to share the group's experiences in hiring intellectually challenged employees and encouraged the business sector to follow suit precisely because the intellectually challenged are also capable of contributing their part when given the opportunities.

Funded by "Enhancing Employment of People with Disabilities Through Small Enterprise" Project of Social Welfare Department, the Association's new social enterprise located on Tai Yuen Street, Wanchai – the HC Café was officially opened on 16th September 2011. We would like to extend our sincerest gratitude to the Urban Renewal Authority for providing such a perfect location. We were also very pleased to have the whole-hearted support from our corporate friends as well as the invaluable contributions made by the dedicated volunteers during the trial operation of the Café. Their kind assistance and valuable opinion have contributed to the steady growth of the Café within a short period of time. Apart from providing job training and employment opportunities in a real working environment, our social enterprises can create open platforms that encourage public understanding for people with intellectual disabilities and their capabilities through day-to-day interaction.

「回收玻璃再造磚,你我共建環保圈!」對於回收隊的學員來說,這不單純是一個活動口號,而是他們為環保出一分力的承諾!自「玻璃樽回收行動」開展以來,他們時刻緊守崗位,努力工作,令回收行動得以超額完成首年目標!學員亦勝任教育宣傳的工作,在超過100場的路展中落力推廣,大大提升市民回收玻璃廢料的意識。

To the members of the Association's Glass Bottle Recycling Campaign, "Save the Earth Recycle Glass Waste" is not just a campaign slogan but also a commitment they have made to protect the environment. Since the launch of the Campaign, members of the glass bottle recycling team have been working diligently to turn their commitment into reality and succeeded in outperforming the Campaign's first-year target. They have even taken up the roles as Campaign Ambassadors to promote glass bottle recycling in over 100 road shows.

在藝術展能方面,由滙豐銀行慈善基金贊助成立的匡智成人步操樂團獲邀為「香港步操樂團公開賽2010」擔任表演嘉賓,更在「藝無疆:新晉展能藝術家大匯演2011」中榮獲優異獎,再次證明「天生我才」,智障人士亦可以在藝術發展的領域中尋求突破,提升自我價值。

In the field of artistic development, the Hong Chi Adult Marching Band founded with the sponsorship of The Hongkong Bank Foundation was invited to perform at "Hong Kong Marching Band Contest 2010". The Band's outstanding performance has also won the merit prize of "Cross All Borders: Hong Kong Festival Showcasing New Performing Artists with Disabilities 2011". All these have once again proven the artistic talents of people with intellectual disabilities and they could make a breakthrough in art which help raise their self-esteem.

社會支持,推動向前

Moving Forward with Social Support

近年,「企業社會責任」成為商界企業發展不可或缺的一環。在過去的一年,本會受惠於各企業伙伴慷慨投入資源,令我們的學生和學員得以享有更多發展潛能的機會。其中,匡智廣福慧妍雅集工場的花藝隊便獲MasterCard邀請為其製作精緻的花藝禮品,饋贈予商業伙伴及傳媒友好,令更多人有機會認識花藝隊的服務及欣賞學員的花藝創意。MasterCard更捐款支持花藝隊添置器材,令產品種類更多元化,提升市場競爭力。

In recent years, "corporate social responsibility" has been playing an indispensable role in corporate business development. Benefited from the material support generously provided by different corporate partners, our students and trainees were given more opportunities to develop their potentials in different areas over the past year. I would like to extend my heartfelt thanks to MasterCard for supporting the Hong Chi Flower Team of Hong Chi Kwong Fuk Wai Yin Workshop, the corporation not only helped promote the Team's service by purchasing its floral products as gifts for corporate partners and media friends, they have also made a generous donation to the Team so that it can purchase new equipment and produce a wider range of customized products and services, hence raising its competitiveness.

E智健樂會會員劉智明則獲邀於香港 賽馬會首次舉行的「慈善名酒拍賣會暨晚宴」中表演鋼琴獨奏,智明淋漓盡致的演 繹獲全場會員一致讚賞,完美地展示了智 障人士非一般的藝術才華。

Moreover, in the first Charity Wine Auction Dinner organized by The Hong Kong Jockey Club, Lau Chi Ming, a member of Hong Chi Gateway Club, was invited to perform a piano solo. Applauded by the audience, the performance was a perfect showcase of the extraordinary music talents of people with intellectual disabilities.

Chairman's Report

我們更獲萬豪國際集團贊助舉辦第二屆 「我的廚房」烹飪比賽,廣邀全港特殊學 校參加,鼓勵智障學生展示他們的烹飪 才能! Furthermore, with the full support of Marriott International, Inc. the 2nd "My Kitchen" Cooking Competition has given intellectually challenged students a great opportunity to demonstrate their cooking talents.

未來展望

來年,本會仍然會以協助智障人士發展潛 能為目標。

在教育服務方面:

- 一本會將繼續以優化教育質素為目標, 加深研究發展。本會將開展深層次的 研發,以探究「醫療護理」與提升嚴重 智障、並兼有多重肢體弱能學童的學 習成效的關係,再就研究結果爭取更 多資源以加強針對性訓練,協助他們 提升學習能力。
- 一本會亦會繼續循專業教學發展,並將 有系統地收集數據以引證不同教學策 略及工具在提升學生學習表現方面的 成效,再以數據支持發展高成效教學 項目,藉以提升整體「教與學」的質素。

在成人服務方面:

- 本會十分關注隨著智障人口老化而衍生的服務需求,我們將致力為智障人士及其照顧者提供適切的支援及服務。
- 一 在促進智障人士就業方面,我們將爭 取專業學術研究的支持,發展一套科 學化的評估工具以量度智障學員的就 業能力,並以客觀的數據分析為學員 配對合適的工種,增加學員獲聘的機 會,並確保學員有能力完成獲指派的 工作,增強僱主聘用智障人士的信心。

Looking Ahead

Assisting people with intellectual disabilities in developing their potentials continues to be our top-priority in the coming year.

In education service:

- We shall proceed further in research and development to continue improving the quality of education. In-depth research will be conducted to understand the effectiveness of medical care in enhancing the learning ability of students with severe intellectual disabilities and multiple physical disabilities. We shall then secure resources to develop intensive training to help these students to further develop their learning abilities.
- To increase the overall teaching and learning quality, we will continue the professional education development and collect data in a systematic manner to prove the effectiveness of different teaching strategies and tools. Data collected will then be used to support the future development of highly effective teaching.

In adult service:

- We are highly concerned about the increasing demand for service by the aging population of people with intellectual disabilities. We will make our best effort in providing for this group, as well as their carers, support and services.
- To enhance the employability of people with intellectual disabilities, we will seek help to engage professional academic research to develop an evaluation tool that can scientifically measure the work abilities of trainees, as well as providing objective analysis for job matching. It is hoped that such tool can help improve trainees' chance to secure a job whilst increasing employers' confidence in hiring people with intellectual disabilities.

在環保工作方面,我們將竭力達成「玻璃樽回收行動」的回收目標,我們並將研究由學員參與廚餘回收工作的可行性,亦會積極尋找商界及機構伙伴的支持以開展更多綠化環保回收項目。「匡智香港賽馬會全港中小學社區有機農耕比賽」亦將繼續舉行,鼓勵學界將環保的種子持續在社區散播。

As for green initiatives, apart from our endeavour to achieve the target of Glass Bottle Recycling Campaign, we will look into the feasibility of launching the "food waste recycling" initiative in which our trainees can play a major part and we will continue to seek corporate partnership for various green projects. We will continue to hold the "Hong Chi – Hong Kong Jockey Club Community Organic Farming Competition for Primary and Secondary Schools in Hong Kong" with the aim of encouraging the schools to spread the green living message in the community.

衷心感謝

最後,我想藉此機會感謝在過去一年支持本會工作的各界友好,包括企業及機構伙伴、政府部門、義工朋友、家長、執委會以及各委員會的委員,我要特別感謝各位同事,在資源緊拙的情況下仍然堅守崗位,為學生和學員盡心盡力服務,我承諾會盡力向政府爭取合理資源,增加撥款以應付必須的服務要求。深知這是一項艱巨工作,但一定會致力不懈;我亦期望可以繼續得到商界企業的支持,與我們攜手同心,為提升學生和學員的生活質素而努力,多謝各位!

Word of Thanks

Last but not least, I would like to take this opportunity to express my gratitude to all supporters of the Association, including friends from caring corporations, organizations, government departments, volunteers, parents, and Members of Council and Committees. In particular, I would like to thank the Hong Chi team for contributing their best in serving students and trainees regardless of the limited resources. We promise to strive for more resources and funding from the government in order to meet the demands for services although we understand that this is no easy task. We will also continue to appeal for corporate support and work hand in hand with our partners for the betterment of our students and trainees. Thank you!

We provide a full spectrum of services meeting every aspect of life for children and adults with intellectual disabilities, through our currently run 52 projects.

Children Services

We firmly believe that children with intellectual disabilities should be developed to their fullest potential through professional training and early childhood education. With proper training, we can better prepare them to live independently and fully integrate into the community. Our Pre-school Centre and District-based Speech Therapy Team are established to provide high quality early childhood education for children with intellectual disabilities/special learning needs and our Children Home provides self-care training from an early age.

Adult Services

Our range of services for adults with different grades of intellectual disabilities includes:

- Integrated Vocational Training Centre (for adults with mild and moderate intellectual disabilities)
- Sheltered Workshops (for adults with moderate intellectual disabilities)
- Day Activity Centres (for adults with severe intellectual disabilities)
- Care and Attention Homes (for adults with severe intellectual disabilities)

We also provide Gateway Club (for recreational and social needs), job and employment related services (for employment needs), adult education (for continuing education needs), district-based support services (for community-living skills needs), hostels (for residential needs), professional therapy (for psychological and occupational therapy) as well as Elder Care Programme (for aging needs).

There is an old Chinese saying that one is born with talents that will be of use. People with intellectual disabilities do have their unique talents. Provided with appropriate education, vocational training and employment opportunities, they will make the best use of their talents to lead an independent life while at the same time contribute to society. During the year, the first-ever Hong Chi Career Showcase was held, in which trainees who were undergoing vocational training demonstrated their capabilities of doing a variety of jobs while those who had entered the open employment market shared their work experience. All these were intended to reveal to community members the working abilities of trainees. In other areas, our Hong Chi Adult Marching Band and trainees from The Hongkong Bank Foundation Hong Chi Community Education Institute gave performances to show their artistic talent and bring fun to the community. Our project volunteer teams serve through community services to extend care to the needy, contributing back to society.

展望未來 Future Development

匡智樂齡服務

本會自2005年推出此項服務,以照顧年長學員在生理、心理、社交和靈性方面的需要。我們不單在護理和體能訓練上作出配合,還舉辦懷緬活動,例如為學員製作人生圖譜,安排舍友重遊舊居及探望家人,及於宿舍內設立懷舊樂齡閣等。去年度,伊利沙伯女皇弱智人士基金贊助本會推行一系列樂齡活動及出版《匡智樂齡的故事一美麗人生》,與業界分享受惠學員的生命足跡。本會現正檢討樂齡服務的服務模式,並由10個服務單位攜手進行一項採用類實驗設計的研究,以評估服務的成效,稍後將與業界分享研究結果。(圖1-2)

匡智關愛天使振翅計劃

本會獲勞工及福利局社區投資共享基金資助推行 此項計劃,由學員、家長與跨界別伙伴攜手,探 訪有需要家庭、提供課餘托管和其他義工服務。 為評估計劃成效,本會在社署社會福利發展基金 的贊助下,已委託香港大學社會工作及社會行政 學系進行實證研究,稍後將發布研究結果。(圖3)

Hong Chi Elder Care Programme

Since 2005, this Programme has been launched to cater for various needs of elderly trainees. Besides providing them suitable care and training, we have organized reminiscence activities, for example, we made them their life story books, took them to their old homes and to visit their caregivers, set up at hostels a corner with oldies and childhood gadgets. In the year of 2010/11, we were funded by the Queen Elizabeth Foundation for the Mentally Handicapped to implement an array of elder care activities and issue a book titled Hong Chi Elder Care Programme – Our Beautiful Lives, sharing with the industry the stories of trainees who used these services. Currently, we are reviewing our service mode, with 10 service units collaborating on a research with quasi-experimental design adopted to measure the Programme's effectiveness. Research results will be announced later. (Image 1-2)

Hong Chi Caring Angel Project

With funding support from the Labour and Welfare Bureau's Community Investment and Inclusion Fund, we launched the Project in which trainees and their parents joined cross-sectoral partners in providing home visits, after-school care and community services for the needy. To evaluate its effectiveness, we have commissioned the Department of Social Work and Social Administration, The University of Hong Kong, to conduct an evidence-based research with research results to be announced later. 我們將繼續爭取專業學術研究支持以進行項目研發,並將參考研發結果制定服務方向,例如發展合適的評估工具並利用客觀數據分析為學員配對合適工種,從而增加學員的可聘性,促進智障人士就業。至於環保項目方面,承接「玻璃樽回收行動」的成功開展,我們亦將探討開發更多環保項目的可行性,讓智障人士得以持續為環保出一分力。

Volunteer Services

We have always encouraged trainees, parents and staff members to give back to society through community services. In the year of 2010/11, our volunteers visited patients with physical disabilities and chronic illnesses. To solitary elders and those residing in the elderly homes, we brought them presents as well as performing lion dance and Chinese fan dance, celebrating festive seasons with them. We also volunteered as flag sellers for other charitable organizations. We will soon establish the Hong Chi Volunteer Team, which pulls together efforts of our volunteers and corporate friends to care for more people in need. (Image 1-4)

We shall continue to focus on research and development work as reference for our new work directions, such as study to develop appropriate assessment tools to enhance employability of people with intellectual disabilities. Following the success of Glass Bottle Recycling Campaign, we shall work on new green initiatives, to help our trainees to continue making a better environment for the community.

1. BASIS OF PREPARATION

Hong Chi Association (the "Association") operates a total of 13 schools (the "Schools"). In response to the new government policy on school governance and administration, the Schools of the Association started to establish their own Incorporated Management Committees ("IMCs") as separate legal entities. Four schools had their IMCs formed on 30 August 2008 and the other nine schools established their IMCs on 31 August 2009. Starting from the corresponding dates of establishment of the IMC schools, the statutory financial statements of the Association ceased to reflect the income, expenditure, assets and liabilities of the Schools.

On 23 July 2010, Hong Chi Association Schools ("HCAS"), a company limited by guarantee, was established with no capital injection by the Association. It takes over the work of and carries on the duties and functions of the unincorporated body known as "Education Executive Committee of Hong Chi Schools", which was a committee of the Association, to establish, operate, maintain, manage and carry on schools for students with intellectual disabilities in Hong Kong under the auspices of the Association on a non-profit-making basis. HCAS is accounted for as a subsidiary by virtue of the Association's control over it.

For illustrative purposes only, the income, expenditure, assets and liabilities of the Association as shown in this section demonstrate the surplus and state of the affairs of the Association covering all operation units operated by the Association excluding the Schools. The statement of comprehensive income and statement of financial position of the Association and the Schools have been combined on the basis that they are operating under the control of the Association using uniform accounting policies.

The 2011 proforma combined financial statements, which comprise proforma combined statement of financial position as at 31 March 2011 and proforma combined statement of comprehensive income for the year then ended, are based on the 2011 statutory financial statements of the Association audited by BDO Limited and review reports of the "Schools" reviewed by W. S. Wong & Co.

2. SIGNIFICANT ACCOUNTING POLICIES (EXTRACTS)

a) Subsidiary

A subsidiary is an entity over which the Association is able to exercise control. Control is achieved where the Association, directly or indirectly, has the power to govern the financial and operating policies of an entity so as to obtain benefits from its activities. In assessing control, potential voting rights that are presently exercisable are taken into account.

Interest in a subsidiary is stated at cost less impairment loss, if any.

b) Revenue and deferred income

Grants and subventions for general purposes are recorded as income when the right to receive payment is established. Grants for specific projects are initially recorded as deferred income and released to the statement of comprehensive income as income when the related expenditure on the specific projects are incurred.

Specific grants received for the purchase of property, plant and equipment are recorded as deferred income in the statement of financial position and released to the statement of comprehensive income over the useful life of the relevant assets.

Donations for specific purposes or projects are initially recorded as deferred income and is released to the statement of comprehensive income as income when the related expenditure on the specific projects are incurred. Any portion of unspent balance for over 5 years will be recognized as income in the statement of comprehensive income.

Donations for general purposes and Lotteries Fund grants are recorded as income when the right to receive payment is established.

Surpluses from fund raising functions are recognized when the functions are held.

Other income, which comprises dues and fees, is recognized on an accrual basis.

Interest income is recognized on a time proportion basis, taking into account the principal amounts outstanding and the interest rates applicable. Interest income is credited to either the statement of comprehensive income or a particular fund as appropriate.

3. NATURE AND PURPOSE OF RESERVES AND FUNDS

a) Capital reserve for unsubvented projects and designated funds

Capital reserve for unsubvented projects are funds transferred from the statement of comprehensive income and set aside for unsubvented projects.

Designated funds are funds transferred from the statement of comprehensive income and set aside for designated purposes. Interest income related to these designated funds is recorded in the statement of comprehensive income.

b) Social Welfare lump sum reserves

Lump sum grants are allocated by the Social Welfare Department to the Association to cover certain approved expenditure including staff cost, provident fund contributions and other expenditure. The Association recognizes the lump sum grants as income over the periods necessary to match them with the related expenditure which the grants are intended to compensate. The unspent portion of the grants for the year are transferred to designated lump sum reserves for future use of the Association.

c) Other Social Welfare reserves

Other Social Welfare reserves represent the unspent portion of the grants allocated by the Social Welfare Department not included in the lump sum grants for future use of the Association.

d) Furniture and equipment replenishment and minor works block grant reserve

Furniture and equipment replenishment and minor works block grants are lump sum governmental grants for replenishment of furniture and equipment and minor works for existing premises providing subvented welfare services. The grants are recognized as capital grants under deferred income when acquiring property, plant and equipment. The remaining grants are recorded as income when there is a reasonable assurance that the Association will comply with the condition attaching with it and that the grant will be received. The unspent portion for the year is transferred to the furniture and equipment replenishment and minor works block grant reserve.
