半世紀以前,我們開辦了只為 4 位有特殊學習需要小孩而設的學習班;時至今日,我們很高興宣布,本會獲教育局批准於東涌第 108 區開辦匡智會第 14 間屬校,照顧區內有需要人士。這所學校預計於 2019-2020 年度學年投入服務,為 200 位智障學生提供特殊教育,而附設的學校宿舍則可為 60 位學生提供住宿服務。落成以後,這所學校更將成為全港首間為輕度、中度及嚴重程度智障學生服務的特殊學校。

#### Mission Forward

After celebrating the Association's 50th anniversary, the past year was essential for Hong Chi to consolidate our strength and move forward to better our services through various new development in education, services and social enterprises. To begin with, I would like to express my sincerest gratitude to all our corporate partners, organizational friends, the government, volunteers, as well as the general public for the support, care and precious opportunities that you have given to our students and trainees over the years.

#### Quality Education

From a start of a small learning class for 4 children with special needs half a century ago, we are pleased to announce that the Association has been approved by the Education Bureau to set up our 14th special school with boarding service in Tung Chung for students with mild, moderate and severe intellectual disabilities in order to cater to the needs in the community. The school is expected to commence service in the academic year 2019-2020, providing quality education to 200 students and boarding facility for 60 students. It will also be Hong Kong's first special school tailored for students with all grades of intellectual disabilities.

Apart from providing education, it is equally important to create different opportunities and platforms for our students to showcase their diverse talent. In the past year, a number of fun-filled activities have been organized, including the joint school "Hong Chi Cup" football matches, swimming gala, talent show (Hong Chi Morninghill School, Tuen Mun) and art exhibition (The Jockey Club Hong Chi School), aiming to unleash students' different talent and enabling the public to have a better understanding of the abilities of the people with intellectual disabilities. Their potentials have also been well proven and recognized with the awards the Hong Chi students have earned for their shining performances in the fields of sports and arts at various local and overseas occasions.

#### • 知識共享

朋輩學習亦是與業界友好互相交流知識的有效渠道。2016年1月,我們發布了「匡智溝通易川應用程式,公眾及有需要人士可透過 Android 或 Apple平台免費下載。此外,我們亦邀請澳洲特殊教育專家來港於電子學習分享會上作專題演講,分享如何在制定教學策略和使用資訊科技之間取得平衡、吸引超過 200 位來自 47 間特殊學校、復康中心及大專院校同工出席。

#### • 專業發展

承接 2015 年 5 月,台北宇寧身心診所 所長吳佑佑醫師及其專業團隊應邀來 港主持為期 3 天的「自閉症類群障礙者 擴大性溝通治療工作坊」,席上教授針 對自閉症學生的新溝通策略,部份屬校 亦在去年試驗推行。2016 年 4 月,本 會亦就校內試行新溝通策略情況舉辦教 職員分享會,並於 8 月舉辦兩個學習團 到台北宇寧身心診所,加深學習更多針 對自閉症兒童的全新溝通技巧。

#### Sharing of Knowledge

Education is an ever-growing process, not merely to students, but also to our team of teaching staff. Throughout the past year, numerous theme seminars and workshops have been organized for our teaching staff of different levels in order to further enhance their skills and knowledge in caring for children with special learning needs. At the annual Professional Development Day held in January 2016, renowned scholars and experts were invited to share their valuable experiences on various topics, including knowledge management, life planning education, assisting families with autistic children through health training, and etc, attended by about 600 staff of our teaching team.

We consider peer learning a powerful tool through knowledge exchange with our counterparts. In addition to launching the "Hong Chi Communication App II" in January 2016, available for free download on both Android and Apple platforms, an IT Talk was arranged, inviting an Australian special education expert to share her experience in striking a balance between teaching strategies and the use of information technology. Positive feedback has been received from over 200 participants of 47 special schools, rehabilitation centres and tertiary institutions.

#### Professional Development

Further to the three-day workshop of "Expanding Communication Therapy for People with Autism Spectrum Disorder" in May 2015 hosted by Ms Wu Yu, Director of YuNing Psychiatry Clinic in Taipei, and her professional team, the new communication strategies have been applied on some of our schools as trial run in the past school year, a sharing session among the teaching team was held in this April, followed by 2 study trips to the Clinic in Taipei in August to further the study on new communication skills with autistic children.

感謝優質教育基金贊助,本會建立了 一個特殊教育知識管理平台,藉此鼓 勵從事特殊教育工作的同工持續習 發展,並強化本會學校作為「學習型 組織」的生命力。此外,透過教育局 第四期「加強公營學校行政管理試驗 計劃」,參與屬校的資訊科技系統得以 提升,從而減少老師的行政工作量, 令他們能夠更專注於教學工作。

#### • 復康服務以滿足需要

我們實在有幸得到多個企業友好的持續 支持。2016年3月,康業服務有限公司與匡智會簽署合作備忘錄,象徵兩者 建立伙伴合作關係,並為於匡智松嶺綜 合職業訓練中心完成課程的畢業學員提 供實習訓練及工作機會,進一步拓闊他 們的就業選擇。

為滿足社會近年對有特殊學習需要學前兒童的早期復康服務需要,本會於2015年11月開展匡智匡晴計劃。獲社會福利署資助,這個為期兩年餘分別,及門為正在輪候可以以對為內別,以對於明本的兒中心兼收計劃同時為幼兒中心兼收計劃同時為幼兒工作員提供專業意見以及的有數長提供支援,使他們以正面態度及有效技巧培育有特殊需要的兒童。

自 2016 年 3 月起,本會開辦全新的特殊幼兒中心暨早期教育及訓練中心—— 匡智廣福學前兒童中心,為初生至 6 歲有特殊需要兒童提供早期教育及訓練。同時,隨著匡智地區支援中心(新界北區)搬至新址,以及匡智運頭塘中心擴充計劃完成,本會能提供更多服務名額以滿足社區需求。 Thanks to the funding support from the Quality Education Fund, a special education knowledge management portal has been set up for members of the special education sector to promote continuous professional development, as well as to stimulate the vitality of Hong Chi schools as "learning organization". Through participating in the Phase IV of the "Pilot Project on Strengthening School's Administration Management" of the Education Bureau, the information technology management systems of participating schools have been upgraded, thus reducing teachers' administrative duties and enabling them to focus more on the education work.

#### Services that Cater to the Needs

We have been blessed to have the unfailing support from our corporate friends. In March 2016, a Memorandum of Understanding has been signed between Hong Yip Service Co. Ltd and the Association to signify the partnership by providing job training and employment opportunities to our trainees upon graduating from the Hong Chi Pinehill Integrated Vocational Training Centre, widening the career path of our trainees.

Catering to the soaring demand of young children with special needs for early rehabilitation services, Hong Chi Sunshine Project has been launched since November 2015. Funded by the Social Welfare Department (SWD), the Project is a two-year Pilot Scheme related to On-site Pre-school Rehabilitation Services, providing on-site services and early intervention to children that are on the waiting list for SWD-subvented pre-school rehabilitation services. The Project also provides professional advice for kindergarten teachers/child care workers to assist them in working with children with special needs, and render support to the parents on nurturing positive attitude and providing effective skills in raising their children with special needs.

Since March 2016, a new special child care centre cum early education and training centre – Hong Chi Kwong Fuk Pre-school Centre has also commenced service to provide early education and training programmes for children with disabilities aged from birth to 6. Following the relocation of the Hong Chi District Support Centre – N.T. (North District) and the expansion of Hong Chi Wan Tau Tong Centre, more service places are provided to meet the community needs.

#### • 員工發展

#### • 綠色項目及關懷環境

近年本會積極推動多個綠色項目,除 保護環境外,同時亦希望透過這些項 目讓我們的學生和學員有機會參與社 區事務,回饋社會。感謝香港賽馬會 慈善信託基金多年來的慷慨捐助,第 三階段匡智賽馬會玻璃樽回收計劃於 2016年2月展開,以回收2,260噸玻 璃樽為計劃目標,並透過舉辦更多社 區教育活動,以提升廣大市民對乾淨 回收的認知。此外,匡智賽馬會綠色 教育計劃亦在 2016 年 7 月圓滿結束, 於幼稚園及特殊學校學生心目中播下 綠色生活的種子。匡智會亦剛獲環境 保護署核准營運「綠在元朗」的3年服 務合約,期望令綠色生活概念能進一 步紥根社區。

With generous funding support from FWD Hong Kong, a three-year training programme FWD x Hong Chi "Live Up Today" Transitional Support Programme has been launched since August 2016, aiming to provide 16 to 20 places per year for young adults with autism to receive transitional services in arts training and occupational therapy at the Hong Chi Jockey Club Arts Studio. Participating trainees are arranged to receive vocational training at the Association's sheltered workshops and day activity centres, fostering their future transition to adult services.

#### Staff Development

Staff members are important asset of the Association, much efforts have been made in staff development in recent years to further enhance the work skills of our staff, as well as to strengthen the team spirit by uplifting its morale. Supported by the Social Welfare Development Fund, an exchange tour to Melbourne was organized in May 2016 for different levels of staff members to visit the local social service units and learn from the service experiences shared by the overseas counterparts. The tour members also attended the Aspect Autism in Education Conference held once in every 2 years and gained useful insights that can be applied to daily work. In the meanwhile, professional speakers from The Law Society of Hong Kong have also been invited to give theme talks on understanding the legal rights and responsibilities of service users and staff when involved in criminal investigation.

#### • Green Initiatives & Care for Community

Go green is one of the key initiatives that Hong Chi has been emphasizing on in recent years, in the hope of conserving the environment, as well as providing opportunities for our students and trainees to get involved in community work. Thanks to the continued support of The Hong Kong Jockey Club Charities Trust, phase 3 of the Hong Chi Jockey Club Glass Bottle Recycling Project has been launched in February 2016, targeting to collect 2,260 tonnes of used glass bottles with more public education activities organized to raise public awareness on clean recycling. Besides, the Hong Chi Jockey Club Green Education Campaign has also been concluded on a high note in July 2016 and successfully sowed the seeds among the children in kindergartens and special schools for promoting a green lifestyle. We are pleased to share that Hong Chi has been recently awarded a threeyear service contract by the Environmental Protection Department to operate the Yuen Long Community Green Station, in order to publicize green living in the community.

#### • 社會共融

我們非常感恩一直得到社會人士對本會各個公眾慈善活動,如匡智慈善跑樓梯大賽、匡智慈善曲奇義賣、匡智會賣旗日,以及其他義工活動等的無私支持,這些公開活動都是匡智學生和學員向外展示才能的互動平台,讓他們能夠走進社區,融入社會。

#### • 邁步向前

我們很高興本會未來一年在不同範疇 也會有新發展。誠如前述,匡智會第 14 間屬校、亦是全港首間為所有智障 程度學生提供教育及住宿服務的特殊 學校,將於東涌第 108 區開辦。這所 新學校將提供 200 個學額及 60 個宿 位,期望能為區內有特殊學習需要的 孩子提供適切服務。

為了讓更多智障人士能夠受惠,過去一年本會屬下多個服務單位進行連串翻新和擴展工作,其中第一階段匡智松嶺村重建計劃經已順利竣工,全新落成的匡智賽馬會松嶺宿舍亦於2016年年底正式投入服務,為100位中度智障人士提供住宿服務。

緊接在香港賽馬會沙田馬場通訊及科技中心開設的社企餐廳 Cafe Graze於 2016年8月開業,我們另一間設於「大館」,即中區警署建築群活化計劃的全新社企餐廳FT² by Hong Chi 亦預計於 2017年開幕,餐廳主打以 from farm-to-table 的新鮮食材入饌,期望能為學員在高檔次餐飲業界製造更多工作訓練及就業機會。

#### Integrating into Society

We are thankful for the public support of our Association's various charity events, such as the annual Hong Chi Climbathon, Hong Chi Charity Cookies Sale, Hong Chi Flag Day, as well as many other volunteering activities jointly participated by our children and the caring public, all these activities provided opportune platforms for our students and trainees to shine and integrate into society.

Operated for 6 years, our social enterprise HC Café served the last customers in August 2016. We are truly grateful for all the hard work of our beloved volunteers, parents and trainees throughout the years. The Café has indeed opened a window for our catering trainees to receive job training and obtain practical work experience in a real-world setting environment, connecting with the community, and giving them the confidence to enter into the catering field. Thank you to our customers for the long-time support of the Café, and we look forward to greeting you at our next new social enterprise outlet – our new restaurant at Tai Kwun, the revitalized former Central Police Station at Central.

#### Moving On

We are thrilled to share that new developments will be taking place at different areas of our Association's work in the coming year. As previously mentioned, the 14th Hong Chi school, also the first special school with boarding service in Hong Kong tailored for students with all grades of intellectual disabilities, will be set up in Area 108, Tung Chung, in order to meet the demand for providing quality education to children with special learning needs in the community. The new school is expected to cater for 200 students with 60 places for boarding service.

Apart from the renovation and expansion work of our different service units over the past year aiming to serve more people with intellectual disabilities, the first phase of the Pinehill Village Redevelopment Project has been recently completed with the new Hong Chi Jockey Club Pinehill Hostel being put into service in late 2016, providing residential services for 100 people with moderate intellectual disabilities.

Following the opening of our new social enterprise Café Graze at The Hong Kong Jockey Club's office at the Shatin Racecourse in August 2016, our new restaurant FT² by Hong Chi is expected to launch in 2017 at Tai Kwun, the Central Police Station Revitalization Project, serving fresh and delicate cuisine from farm-to-table, as well as creating job training and employment opportunities for our trainees in a full-scale upmarket restaurant.

# 特殊教育 Special Education

悉心培育,透過多元學習體驗 發揮學生潛能 Nurture students' potentials through diverse learning programmes

## 特殊教育 Special Education

本會一直致力為智障學童提供優質及 全面的教育服務,屬下輕度至嚴重程 度的特殊學校和寄宿學校共13所,提 供學額逾1,850個。

資訊科技發展一日千里,本會屬校與 時並進,積極在課程與教學引入資訊 科技,以提升學生的學習成效,並組 織分享會,與友校交流經驗。本會屬 校言語治療師小組研發的「匡智溝通易」 應用程式第二期於今年初推出,支援 口語能力較弱學生與別人的溝通。

另一方面,教育部與屬校一起建立法 團校董會資訊系統平台,加強各屬校 與其法團校董會的聯繫;又建立聯校 文件管理系統,讓辦學團體與各屬校 的資訊溝通更有效率。

本會學校積極透過組織和參與不同的 活動,提升公眾人士對智障學童的認 識及接納,建構和諧社會。 We are committed to providing comprehensive and quality education services to students with intellectual disabilities. Our 13 day and residential schools provide over 1,850 places for students of different grades of intellectual disabilities.

In the past year, we saw significant development in our education services. Apart from the allocation of the first school in Hong Kong for students with mild, moderate and severe grade intellectual disability located in Tung Chung by the Education Bureau, construction of a joint hostel for our Hong Chi Pinehill School and Hong Chi Pinehill No.2 School was also approved after years of technical feasibility study. Furthermore, construction of additional classrooms and ancillary facilities for Hong Chi schools in response to the implementation of the New Senior Secondary academic structure has gradual progress. Hong Chi will continue to work hard and strive to provide quality education services for children with intellectual disabilities.

Hong Chi schools have been active in the introduction of information technology to the teaching and curriculum of school in the light of the rapid development in information technology to enhance students' learning effectiveness. Sharing sessions were organized to share experience with members of the education sector. Second version of the Hong Chi Communication App developed by the group of speech therapists of Hong Chi schools was launched early this year. Students weaker in oral communication can be supported by the app to communicate with others.

On the other hand, the Education Office of Hong Chi worked with the Hong Chi schools to develop an Incorporated Management Committee (IMC) information management platform to enhance the communication between schools and their IMCs. In addition, a joint school document management system will be developed to strengthen the information exchange between Hong Chi and its schools.

With an aim to building a harmonious society, our schools will continue to organize and participate in different activities so as to enhance the public's understanding and acceptance of people with intellectual disabilities.

#### NOTES TO THE UNAUDITED PROFORMA COMBINED FINANCIAL STATEMENTS

#### 1. BASIS OF PREPARATION

Hong Chi Association (the "Association") operates a total of 13 schools (the "Schools"). In response to the government policy on school governance and administration, the Schools of the Association started to establish their own Incorporated Management Committees ("IMCs") as separate legal entities. Four schools had their IMC formed on 30 August 2008 and the other nine schools established their IMCs on 31 August 2009. Starting from the corresponding dates of establishment of the IMC schools, the statutory financial statements of the Association ceased to reflect the income, expenditure, assets and liabilities of the Schools.

On 23 July 2010, Hong Chi Association Schools ("HCAS"), a company limited by guarantee, was established with no capital injection by the Association. It is dormant during the year. HCAS is accounted for as a subsidiary by virtue of the Association's control over it.

For illustrative purposes only, the income, expenditure, assets and liabilities of the Association as shown in this section demonstrate the deficit and state of the affairs of the Association covering all operation units operated by the Association excluding the Schools. The statements of profit or loss and other comprehensive income and statements of financial position of the Association and the Schools have been combined on the basis that they are operating under the control of the Association using uniform accounting policies.

The 2016 proforma combined financial statements, which comprise proforma combined statement of financial position as at 31 March 2016 and proforma combined statement of profit or loss and other comprehensive income for the year then ended, are based on the 2016 statutory financial statements of the Association audited by BDO Limited and review reports of the Schools reviewed by W. S. Wong & Co.

#### 3. NATURE AND PURPOSE OF RESERVES AND FUNDS (CONTINUED)

#### c) Social Welfare lump sum reserve

Lump sum grants are allocated by the Social Welfare Department to the Association to cover certain approved expenditure including employee cost, provident fund contributions and other expenditure. The Association recognizes the lump sum grants as income over the periods necessary to match them with the related expenditure which the grants are intended to compensate. The unspent portion of the grants for the year are transferred to designated lump sum reserves for future use of the Association.

#### Lump Sum Grant Reserve

Major policies and procedures on managing and monitoring Lump Sum Grant Reserve are summarised below.

Services units under the subventions of the Social Welfare Department should be used in the context of Funding and Service Agreements ("FSAs") and the related support services.

Recurrent items such as employee costs including salary, allowances and personnel-related expenses (including fringe benefits) provided that the principle of "no better than" comparable ranks in the civil service is observed. For "minor or routine capital expenditures", capital works project each costing should basically be no more than HK\$200,000 on a service unit basis, furniture & equipment (F & E) items each costing no more than HK\$20,000.

The Council of the Association (the "Council") should ensure that such expenditure will not cause any financial difficulties and do not have adverse effects on the Association in achieving the requirements of FSAs and the interests of its service users.

Proposal on the utilization of the Lump Sum Grant Reserve will be submitted to Budget Committee of the Association (the "Budget Committee") in February for review every year. After making further recommendations (if any), the Budget Committee will then recommend the budget paper to the Council for approval. Normally in March of every year, a Council meeting is held and its agenda includes discussing and approving the revised estimates of the current year and the budget of the coming year as recommended by Budget Committee.

#### Provident Fund Reserve

The Association had followed the recommendation made by the Lump Sum Grant Independent Review Committee since financial year 2012/2013. The Council had approved special one-off MPF contributions to the non-snapshot staff who were not protected under the snapshot arrangement.

#### d) Other Social Welfare reserve

Other Social Welfare reserve represents the unspent portion of the grants allocated by the Social Welfare Department not included in the lump sum grants for future use of the Association.

#### e) Furniture and equipment replenishment and minor works block grant reserve

Furniture and equipment replenishment and minor works block grants are lump sum governmental grants for replenishment of furniture and equipment and minor works for existing premises providing subvented welfare services. The grants are recognized as capital grants under deferred income when acquiring property, plant and equipment. The remaining grants are recorded as income when there is a reasonable assurance that the Association will comply with the condition attaching with it and that the grant will be received. The unspent portion for the year is transferred to the furniture and equipment replenishment and minor works block grant reserve.
