# 「讓我們同心為智障人士 創造更美好明天努力。」

"Let's put our hearts together and work for a better tomorrow for people with intellectual disabilities."

匡智會主席 陳瑞盛先生 Mr Owen S S Chan Chairman, Hong Chi Association

去年著實是既充滿挑戰又成果豐碩的一年,本會持續努力提供更多適切服務,奮力向前邁進。首先及最重要的,是感謝整個匡智團隊中的所有同事,感謝你們一直盡心盡力服務我們的學生和學員。同時亦要感謝所有家長、企業友好、機構同儕、政府部門、愛心義工,以至市民大眾的支持,讓我們得以實踐「匡扶智障」的使命。

#### 因材施教

近年,本會屬校積極發展生涯規劃教育,很榮幸匡智屯門晨輝學校榮獲「2016年度卓越關愛校園」之「推動生涯規劃」主題大獎;而匡智張玉瓊晨輝學校及匡智屯門晨曦學校則分別奪得「推動生命教育」優異獎及「推動生涯規劃」優異獎,令人鼓舞。

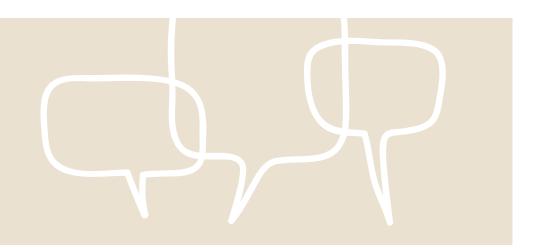

去年本會屬校同工參觀台北宇寧身心診所,並與當地低口語自閉症學生接觸,看到學生們能夠透過「自閉症類障礙者擴大性溝通治療」(ECTA)的方法與人溝通互動,同工都深受感動。回港後,本會科學生需要為前提,合力研發出全新灣的軍學生需要為前提,合力研發出全新灣大學生需要為前提、各力研發出全新灣模略「溝通 X 關係 X 適應:殷盛蜕變模式」(C.R.A.F.T.)。在過去一年,協助低學屬校於校內推行這套先導計劃,協助低學校或家中都可以持續學習。

The past year was indeed a challenging as well as a rewarding year, when we continue to provide more services and aspiring to new heights. First and foremost, I would like to express my genuine appreciation to all staff members of the Hong Chi team for making their best effort in providing quality services to serve the people under our care. I am also thankful to our parents, corporate partners, organizational friends, government, volunteers and the general public for rendering us your unfailing support to live out our mission.

#### **Tailored Education**

In recent years, our schools have put into much effort in developing life planning education for our students. We are delighted to share that Hong Chi Morninghope School, Tuen Mun, has been awarded the "Outstanding Caring School for Promoting the Life Planning Education" in the "Caring School Award Scheme 2016"; while Hong Chi Winifred Mary Cheung Morninghope School and Hong Chi Morninglight School, Tuen Mun also received merit awards for promoting life education and life planning education respectively.

Further to the past visit to YuNing Psychiatry Clinic of Taiwan, our teaching team was deeply impressed by how the people with Autism Spectrum Disorder (ASD) and limited verbal ability could express themselves through the use of "Expanding Communication Therapy for People with ASD" (ECTA). A new set of communication strategies named "Communication X Relationship X Adaptation: A Flourishing Transformation" (C.R.A.F.T.) has therefore been created by our educational psychologists and teaching team that suits the needs of our students. Pilot programme has been carried out at our schools in the past school year to assist students with ASD and limited verbal ability to better express themselves, which also benefit their everyday learning both at school and at home.

#### 全人服務

很高興去年本會開設了幾個全新服務單位,為更多智障人士提供適切服務。2016年3月,匡智廣福學前兒童中心成立,為0至6歲有特殊需要的小朋友提供早期教育及訓練;其後在2017年2月,中心正式展開全面服務,為2至6歲有特殊需要的小朋友提供35個全新幼兒學額及5個日間暫託服務名額。

獲前勞工及福利局局長蕭偉強先生, GBS, JP主持揭幕,全新的匡智賽馬會松嶺宿舍於2017年4月正式開幕,為100位中度智障人士提供住宿服務。此宿舍為匡智松嶺村擴建計劃的第一階段,亦是政府整個「私人土地作福利用途特別計劃」)下首個完成及投充稱「特別計劃」)下首個完成及投充服務的復康設施。除住宿服務,宿舍亦,暫日間的綜合職業康復服務中心落成前,暫名額。松嶺村擴建計劃預計於2019年年初竣工,並為村內新增834個服務名額,為更多智障人士提供全面的津助服務。

#### **Holistic Services**

We are pleased to share that a few new service units have been opened in the past year to serve more people in need in the community. In March 2016, the new Hong Chi Kwong Fuk Pre-school Centre has begun its services in providing early education and training to children aged between 0 and 6; while in February 2017, the Centre began to run in full operation providing 35 new school places and 5 occasional places for children aged between 2 and 6.

Officiated by the former Secretary for Labour and Welfare Mr Stephen Sui, GBS, JP, Hong Chi Jockey Club Pinehill Hostel was grand opened in April 2017 to provide residential services to 100 people with moderate grade of intellectual disabilities. The hostel, the first stage of the Hong Chi Pinehill Village Redevelopment Project, was the first rehabilitation facility completed and commenced services under the government's "Special Scheme on Privately Owned Sites for Welfare Uses" (Special Scheme). The integrated vocational rehabilitation services (daytime) are also provided to 95 trainees at the new hostel before the new Integrated Vocational Rehabilitation Services Centre is set up. A total number of 834 additional service places will be created as the Pinehill Village Redevelopment Project reaches completion in early 2019.

#### 發展潛能

我們深信智障人士擁有不同才華與潛能,只要給予他們適切訓練和機會,他們一樣可以在人生舞台上發光發亮。2017年3月,本會4間屬校舉辦了兩年一度的哲型校運動會,超過600位匡智學生及其他特殊學校學生參加。此外,匡智學生及年亦參與多場本地及海外賽事,優異的比賽成果足以證明智障人士也可以成功跨越重重挑戰。多位匡智學生代表香港遠赴地利參與2017特殊奧林匹克冬季世界比賽,並勇奪2金及1銀獎牌,都是學生們多年來用汗水和努力換來的肯定。

在藝術方面,由衷感謝伊利沙伯女皇弱智人士基金撥款贊助藝術共融活動「藝能亮」,讓智障人士盡展潛能。為提升社會大眾對智障人士藝術才華的認識,活動特別為來自本會不同服務單位、特殊學校及多個非牟利機構的參加者提供藝術訓練,並於2017年5月在香港文化中心露天廣場舉行頒獎禮暨作品展,吸引逾500名市民到場參觀。

獲華人永遠墳場管理委員會慷慨贊助, 匡智地區支援中心(觀塘西)與藝吧聯手 舉辦「終、生、展傳」展覧,透過由智障 人士製作的藝術創作增加市民大眾對生死 教育的認知。

#### 知識共享

與同儕友好就教育及社會服務相互分享經驗,是同工們學習和成長的好機會。獲優質教育基金資助,「特殊教育知識管理平台」計劃得以推行,大大提升本會各屬校及其教學團隊之間的溝通及經驗分享。

2017年1月,一年一度的匡智會屬校教職員專業發展日於香港教育大學舉行,主題為「互通有道協力創新」。前香港立法會主席曾鈺成先生, GBM, GBS, JP、曾踏足三極的首位香港女探險家李樂詩博士, MH和勞工及福利局局長羅致光博士, GBS, JP應邀主講上午環節;下午則安排5場分場講座,讓教職員同工與專家就多個教育議題學習及交流。

#### Talent Development

We firmly believe that people with intellectual disabilities possess different talents and potentials, they can shine like stars with appropriate training and opportunities given. In March 2017, the biennial 4-school Sports Day was organized at Siu Sai Wan Sports Ground with over 600 students coming from 4 Hong Chi schools and other special schools participating in various races to demonstrate their sporting potentials. Besides, some of our students have even taken part in different tournaments locally and overseas to put their talent to the test, their outstanding results have clearly proven that people with intellectual disabilities are able to succeed despite many challenges. We are proud to share that 2 Gold and 1 Silver medals have been won by our students at the Special Olympics World Winter Games 2017 in Austria, which were valuable recognition of their endeavors made throughout years of professional training.

In the fields of art, our sincere appreciation goes to The Queen Elizabeth Foundation for the Mentally Handicapped for generously funding "Talent Unzipped", an inclusive art programme with an aim to nurture people with intellectual disabilities in arts and culture. To enhance public understanding of trainees' artistic talents, the programme provided arts training to participants coming from Hong Chi's service units, special schools and other NGOs, followed by an award presentation ceremony cum art exhibition held at the Hong Kong Cultural Centre Piazza in May 2017, over 500 visitors attended the fun-filled event.

Funded by The Board of Management of The Chinese Permanent Cemeteries, another creative Life Education Art Exhibition has been jointly organized by Hong Chi District Support Centre (Kwun Tong West) and Art-oh Studio to increase public understanding of life education through different artworks created by people with intellectual disabilities.

#### Sharing of Knowledge

We treasure different opportunities of sharing our education and social service experiences with our counterparts, it is indeed a great way for our staff members to learn and grow. Funded by the Quality Education Fund, the "Knowledge Management Portal for Special Schools" project has commenced and greatly facilitated the communications and experience sharing among staff of different Hong Chi schools.

In January 2017, the annual Staff Professional Development Day for all Hong Chi schools was held at The Education University of Hong Kong in the theme of "Communication and Innovation". Mr Jasper Tsang, GBM, GBS, JP, former President of the Legislative Council of Hong Kong, Dr Rebecca Lee, MH, the first Hong Kong female explorer to reach the Arctic, Antarctic and Mount Everest, and Dr Law Chi Kwong, GBS, JP, Secretary for Labour and Welfare, were invited to be the guest speakers in the morning session. 5 parallel sessions on various education topics were arranged in the afternoon for the teaching staff to sharpen their knowledge in the respective areas.

#### 經驗交流

此外,本會亦很高興於松嶺村及屬下服務單位接待不同團體探訪,以加深了解我們為智障人士提供的多元化服務。2017年6月,新加坡最具規模的智障人士非牟利服務機構新加坡智障人士福利促進會,以及廣西省梧州市教育局分別探訪松嶺和本會其他服務單位,了解本會各社企項目的日常營運和智障人士服務。2017年8月,澳門弱智人士家長協進會「星光舍」亦來港參觀本會轄下服務單位,認識本會的目訓練及院舍住宿服務。

#### 社企發展

#### **Experience Exchange**

Besides, we were glad to receive different groups visiting Pinehill Village and our service units in the past year to understand our work. In June 2017, representatives of MINDS, the largest non-profit organization serving people with intellectual disabilities in Singapore, and Wuzhou Municipal Education Bureau, Guangxi visited Pinehill Village and our other service unit respectively to understand the business model of our social enterprise projects and services tailored for people with intellectual disabilities. In August 2017, Seng Kong Se, Association of Parents of the People with Intellectual Disabilities of Macau, visited our service units to learn more about the day care and residential services provided to trainees. These were great occasions for us to exchange experiences with each other about serving the people in need.

#### Social Enterprise Development

Apart from providing appropriate education and training to people with intellectual disabilities, the Association works hard to let our trainees gain practical experience through providing placement training and job opportunities at our different social enterprise projects, which also serve as springboards for trainees to get job offers in the open market. We are grateful that many of our corporate friends share the same vision with us in supporting the employment of people with intellectual disabilities. With full support of Hutchison Telecommunications (Hong Kong) Limited, our new social enterprise café hc:Corner was grand opened at Hutchison Telecom Tower in January 2017 to provide catering services to its staff and visitors, it also offers real-life environment for trainees to put their knowledge into practice. Besides, we are glad to share that Café Graze, our another social enterprise café newly opened in August 2016 at The Hong Kong Jockey Club Communications and Technology Centre serving the staff members of The Hong Kong Jockey Club, is gradually picking up businesses.

#### Community Engagement and Social Integration

Our Association makes much effort in creating more opportunities for our students and trainees to demonstrate their capabilities to enhance public acceptance and awareness for people with intellectual disabilities. In early 2017, the Association was commissioned by the Environmental Protection Department to run the Yuen Long Community Green Station for 3 years. Besides providing collection service of recyclables and green education in Yuen Long, the Station also provides an ideal platform for our trainees to showcase their abilities and fosters social integration. In the meanwhile, the Phase 3 of Hong Chi Jockey Club Glass Bottle Recycling Project has entered the second year, over 830 tonnes of glass bottles have been collected in the Project's Phase 3 between October 2016 and September 2017, created placement and job training opportunities for 158 trainees.

We are thankful for the donation and volunteering support of public members for the Hong Chi New Territories Flag Day held in July 2016, followed by the annual Hong Chi Charity Cookies Sale and our first Hong Chi Charity Mooncakes Sale to showcase the diverse talent of our social enterprise bakery's trainees. With the tremendous support of corporate friends and sport lovers, Hong Chi Climbathon Charity Stair Run was successfully held for 14 consecutive years in October 2017, demonstrating the spirit of social integration and sportsmanship.

#### **Looking Forward: Opportunities Await**

The coming year will be another challenging year with several major developments await. Our new school project at Area 108, Tung Chung, is now actively in progress and is expected to be completed in 2019. In the meanwhile, detailed design of the joint hostel for Hong Chi Pinehill School and Hong Chi Pinehill No.2 School was completed in August 2017. The project will be submitted to the Legislative Council for funding approval in the coming year. If the project could proceed as planned, the joint hostel is targeted to be opened in 2020, which will enhance the quality of life of boarding students.

#### SPECIAL EDUCATION

本會一直致力為智障學童提供優質及全面的教育服務,屬下輕度至嚴重程度的特殊學校和寄宿學校共13所,提供學額近1,900個。

為加強與低口語能力的自閉症學童的 溝通,本會學校取經於台灣宇寧身心 診所的「自閉症類障礙者擴大性溝通治 療」,致力研究及開發適合本地學童的 「C.R.A.F.T.模式」(溝通 X 關係 X 適應: 殷盛蜕變模式),透過持續建立及擴大溝 通管道,加強自閉症學童的溝通、情緒和 學習等適應能力,進一步提升他們的自我 價值及促進全人發展,我們未來將會繼續 這方面的工作。

為期三年的「匡智會學校生涯規劃教育發展計劃」於2017/18學年踏入最後一年,工作小組在這一年內將會整理各會校生涯規劃教育的評估部分,並會編製教導不同智障程度學童的「匡智會學校生涯規劃教育修訂版」,以總結各校過去多年為學生作生涯規劃的經驗,與同工分享。

教育局近年致力推動STEM教育,讓學生透過在科學(**S**cience)、科技(**T**echnology)、工程(**E**ngineering)及數學(**M**athematics)等領域的學習,強化綜合和應用知識與技能的能力。會校亦會探索智障兒童學校STEM教育的方向和策略,並計劃進行聯課活動及課程和教具的分享,讓學生充分發揮創意潛能。

本會學校亦會積極透過組織和參與不同的 活動,提升公眾人士對智障學童的認識及 接納,建構和諧社會。 We are committed to providing comprehensive and quality education services to students with intellectual disabilities. Our 13 day and residential schools provide approximately 1,900 places for students of different grades of intellectual disabilities.

To enhance the communication with students with autism and low oral skills, Hong Chi schools made reference to the Expanding Communication Therapy for People with Autism Spectrum Disorder of the YuNing Psychiatry Clinic of Taiwan and strived to explore and develop the "C.R.A.F.T." (Communication X Relationship X Adaptation: A Flourishing Transformation) model in the Hong Kong context for local students. Through continuously building and expanding the communication channels, the communication, emotional and learning skills of students with autism were strengthened and their self-value and holistic development were promoted. We will continue to work on this in future.

The 2017/18 school year saw the last year of the three-year Hong Chi Schools Life Planning Education Development Plan. The working group will collate and organize the assessment methods of Hong Chi schools in this year. Afterwards, it will prepare a revised version of the "Hong Chi Schools Life Planning Education" to summarize the experience on the implementation of life planning education by Hong Chi schools in the past years and share with members of the education sector.

In recent years, the Education Bureau has been promoting STEM education to enhance students' ability to combine and apply knowledge and skills through the learning of **S**cience, **T**echnology, **E**ngineering and **M**athematics. Hong Chi schools will explore the direction and strategy on the implementation of STEM education in schools for students with intellectual disabilities and will organize co-curricular activities and share on curriculum and teaching aids so that students can demonstrate their creative potentials.

With an aim to building a harmonious society, our schools will continue to organize and participate in different activities to enhance the public's understanding and acceptance of people with intellectual disabilities.

# HONG CHI ASSOCIATION

#### NOTES TO THE UNAUDITED PROFORMA COMBINED FINANCIAL STATEMENTS

#### 1. BASIS OF PREPARATION

Hong Chi Association (the "Association") operates a total of 13 schools (the "Schools"). In response to the government policy on school governance and administration, the Schools of the Association started to establish their own Incorporated Management Committees ("IMCs") as separate legal entities. Four schools had their IMC formed on 30 August 2008 and the other nine schools established their IMCs on 31 August 2009. Starting from the corresponding dates of establishment of the IMC schools, the statutory financial statements of the Association ceased to reflect the income, expenditure, assets and liabilities of the Schools.

On 23 July 2010, Hong Chi Association Schools ("HCAS"), a company limited by guarantee, was established with no capital injection by the Association. It is dormant during the year. HCAS is accounted for as a subsidiary by virtue of the Association's control over it.

For illustrative purposes only, the income, expenditure, assets and liabilities of the Association as shown in this section demonstrate the deficit and state of the affairs of the Association covering all operation units operated by the Association excluding the Schools. The statements of profit or loss and other comprehensive income and statements of financial position of the Association and the Schools have been combined on the basis that they are operating under the control of the Association using uniform accounting policies.

The 2017 proforma combined financial statements, which comprise proforma combined statement of financial position as at 31 March 2017 and proforma combined statement of profit or loss and other comprehensive income for the year then ended, are based on the 2017 statutory financial statements of the Association audited by BDO Limited and review reports of the "Schools" reviewed by W. S. Wong & Co.

The financial information relating to the years ended 31 March 2017 and 2016 of the Association and HCAS that are included in the annual report 2017 does not constitute the statutory financial statements of the Association and HCAS for the years ended 31 March 2017 and 2016. Further information relating to these statutory financial statements required to be disclosed in accordance with section 436 of the Companies Ordinance is as follows:

The Association and HCAS have delivered the financial statements for the years ended 31 March 2017 and 2016 to the Registrar of Companies as required by section 662(3) of, and Part 3 of Schedule 6 to, the Companies Ordinance.

The auditor of the Association and HCAS have reported on those financial statements. The auditor's reports were unqualified, did not include a reference to any matters to which the auditor drew attention by way of emphasis without qualifying their reports; and did not contain a statement under sections 406(2), 407(2) or (3) of the Companies Ordinance.

# 2. SIGNIFICANT ACCOUNTING POLICIES (EXTRACTS)

#### a) Subsidiary

A subsidiary is an investee over which the Association is able to exercise control. The Association controls an investee if all three of the following elements are present: power over the investee, exposure, or rights, to variable returns from the investee, and the ability to use its power to affect those variable returns. Control is reassessed whenever facts and circumstances indicate that there may be a change in any of these elements of control.

In the Association's statement of financial position, investment in a subsidiary is stated at cost less impairment loss, if any. The results of subsidiary are accounted for by the Association on the basis of dividend received and receivable, if any.

#### b) Revenue and deferred income

Grants and subventions for general purposes are recorded as income when the right to receive payment is established. Grants for specific projects are initially recorded as deferred income and released to the statement of profit or loss and other comprehensive income as income when the related expenditure on the specific projects are incurred.

Specific grants received for the purchase of property, plant and equipment are recorded as deferred income in the statement of financial position and released to the statement of profit or loss and other comprehensive income over the useful lives of the relevant assets.

Donations for specific purposes or projects are initially recorded as deferred income and is released to the statement of profit or loss and other comprehensive income as income when the related expenditure on the specific projects are incurred. Any portion of unspent balance for over 5 years will be recognized as income in the statement of profit or loss and other comprehensive income.

Donations for general purposes and Lotteries Fund grants are recorded as income when the right to receive payment is established.

# HONG CHI ASSOCIATION

#### NOTES TO THE UNAUDITED PROFORMA COMBINED FINANCIAL STATEMENTS

## 3. NATURE AND PURPOSE OF RESERVES AND FUNDS (CONTINUED)

#### c) Social Welfare lump sum reserve

Lump sum grants are allocated by the Social Welfare Department to the Association to cover certain approved expenditure including employee cost, provident fund contributions and other expenditure. The Association recognizes the lump sum grants as income over the periods necessary to match them with the related expenditure which the grants are intended to compensate. The unspent portion of the grants for the year are transferred to designated lump sum reserves for future use of the Association.

#### Lump Sum Grant Reserve

Major policies and procedures on managing and monitoring Lump Sum Grant Reserve are summarised below.

Services units under the subventions of the Social Welfare Department should be used in the context of Funding and Service Agreements ("FSAs") and the related support services.

Recurrent items such as employee costs including salary, allowances and personnel-related expenses (including fringe benefits) provided that the principle of "no better than" comparable ranks in the civil service is observed. For "minor or routine capital expenditures", capital works project each costing should basically be no more than HK\$200,000 on a service unit basis, furniture & equipment (F & E) items each costing no more than HK\$20,000.

The Council of the Association (the "Council") should ensure that such expenditure will not cause any financial difficulties and do not have adverse effects on the Association in achieving the requirements of FSAs and the interests of its service users.

Proposal on the utilization of the Lump Sum Grant Reserve will be submitted to Budget Committee of the Association (the "Budget Committee") in February for review every year. After making further recommendations (if any), the Budget Committee will then recommend the budget paper to the Council for approval. Normally in March of every year, a Council meeting is held and its agenda includes discussing and approving the revised estimates of the current year and the budget of the coming year as recommended by Budget Committee.

#### Provident Fund Reserve

The Association had followed the recommendation made by the Lump Sum Grant Independent Review Committee since financial year 2012/2013. The Council had approved special one-off MPF contributions to the non-snapshot staff who were not protected under the snapshot arrangement in prior years.

#### d) Other Social Welfare reserve

Other Social Welfare reserve represents the unspent portion of the grants allocated by the Social Welfare Department not included in the lump sum grants for future use of the Association.

#### e) Furniture and equipment replenishment and minor works block grant reserve

Furniture and equipment replenishment and minor works block grants are lump sum governmental grants for replenishment of furniture and equipment and minor works for existing premises providing subvented welfare services. The grants are recognized as capital grants under deferred income when acquiring property, plant and equipment. The remaining grants are recorded as income when there is a reasonable assurance that the Association will comply with the condition attaching with it and that the grant will be received. The unspent portion for the year is transferred to the furniture and equipment replenishment and minor works block grant reserve.
